Comments: This 3,334± SF office condo is ideally located for many office and medical professionals. The 1st floor consists of a large reception area with kitchenette and restroom, (4) private offices, a conference room, a large open work area and several storage areas. The 2nd floor loft overlooks the 1st floor and consists of (2) private offices, a large open workspace, restroom, additional storage space, as well as 12 built-in storage cabinets. The condo also offers additional access to the 1st and 2nd floor, as well as addition parking, in the rear of the building. Located within the City of Fort Myers, the property can be accessed via the lighted intersection of McGregor Blvd. or Summerlin Road, and is just minutes from Colonial Blvd. and the Midpoint Memorial Bridge to Cape Coral.
